

DESOLATION SOUND

WILDCOAST
escape, explore, discover.

TOWERING PEAKS AND SWIMMING HOLES

Get lost in the immensity of snowcapped mountains and secret swimming holes

Desolation Sound Marine Park consists of more than 14,000 acres of highland and 60 km of shoreline.

Ideal for first time kayakers, Desolation Sound's calm waters allow you to effortlessly paddle through its numerous inlets.

Enveloped by majestic mountains the experience is other worldly. And the lack of tidal circulation results in warm water temperatures perfect for taking a dip.
