WILDERNESS CAMPING

Set up your tent each night under the towering trees and moon-lit skies along the shore

Days have you hanging out with sea lions, seals, otters, and some of the largest starfish and clams in the world.

Evening campfires will completely relax you. There's plenty of time for stargazing before you head off for a peaceful sleep before the next day's adventure.

Each morning you will wake up to the sounds of birds singing their morning tunes or the snort of a harbour seal. The cry of eagles and the sound of the ocean lapping the shore greet you.
